INFO TECH CORPORATION OF GOA LIMITED

(A Government of Goa Undertaking)
(An ISO 9001: 2015 & ISO 27001:2022 Certified Company)

Ref No: - ITG-IT/102/WEBSITE-SECURITY-AUDIT(1)/2023/4865   Date: 04.02.2026

SUBJECT: TO CONDUCT SECURITY AUDIT AND SSL OF GOVERNMENT/CORPORATION/AUTONOMOUS BODIES WEBSITES AND APPLICATION

Sir/ Madam,

1. As per the guidelines from Ministry of Electronics and Information Technology, New Delhi, website/application should be audited annually by the CERT-IN empanelled auditors.

2. Department of Information Technology, Electronics and Communications (DITE&C), Government of Goa vide letter bearing no. 10(17)/2020/DOIT/Security-audit-SDC/1086 dated 09.11.2020 has decided to carry out the security audit and SSL certification of the Government websites and application through M/s Info Tech Corporation of Goa LTD., (ITG).

3. In the view of above, Department of Information Technology, Electronics & Communications, Government of Goa (DITE&C) vide letter bearing no. 8(66)/DOIT/2020/State Government Websites Part file II/1652 dated: 31.10.2025, informed M/s Info Tech Corporation of Goa Ltd., (ITG) shall continue the aforesaid services until the empanelment process by M/s Goa Electronics Limited (GEL) is completed by the State Designated Agency (SDA).

4. Consequently, the revised rates for conducting Security Audit of Website/Portals and SSL Certification is as per following categories: -

Sr. No.	Item Description	Price per Quantity Including taxes in INR
1.	Security audit of/web application	Rs. 22,500.00
2.	Single Standard SSL for 2 years validity	Rs. 17,500.00
Note: However, all the vulnerabilities pointed out by the CERT-IN empanelled security auditors have to be fixed by the vendor who has developed and deployed the website/application on testing server.		

4. All the Government Department/Corporation/Autonomous Bodies/etc intent to undertake security audits and SSL certification. Certifications for their websites/applications require accept the proposal and intimate ITG accordingly.

Thanking, you,

Yours faithfully,
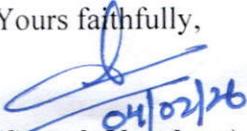

(Sanesh Varghese)
Chief Technical Officer (CTO)
